Family	POWER

NOTES

Power UPS 2 kVA 2U rack, line-interactive, IEC C13 outlets, IEC 60309 inlet is the Hyperspan Power PDU named above. UK codes use BS 1363 outlets and a UK plug. IEC codes use C13 or C19 outlets. The three-phase code uses an IEC 60309 industrial plug.

Confirm the inlet, residual-current protection and distribution-board capacity with the project electrical designer before installation.

25-Year System Warranty
