

### 1. PRODUCT AND MANUFACTURER IDENTIFICATION

|                          |                                                                                                                                                              |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| DoP reference            | HSP-DOP-IND-C6-SWA-305                                                                                                                                       |
| Unique product-type code | HSP-IND-C6-SWA-305                                                                                                                                           |
| Product name             | Cat6 Industrial SWA Armoured Fca                                                                                                                             |
| Intended use             | Communication cable for general applications, permanently installed in buildings and other civil engineering works subject to reaction-to-fire requirements. |
| Manufacturer             | Hyperspan Data Ltd, Company No. 16025019, 167-169 Great Portland Street, 5th Floor, London W1W 5PF, United Kingdom                                           |

### 2. ASSESSMENT AND APPLICABLE STANDARDS

|                                |                                                |
|--------------------------------|------------------------------------------------|
| AVCP system                    | System 3 / as applicable                       |
| Harmonised/designated standard | EN 50575:2014+A1:2016                          |
| Classification standard        | EN 13501-6                                     |
| Conformity marking             | CE / UKCA as applicable to the intended market |

### 3. DECLARED PERFORMANCE

| Essential characteristic     | Declared performance | Harmonised technical specification |
|------------------------------|----------------------|------------------------------------|
| Reaction to fire             | <b>Fca</b>           | EN 50575:2014+A1:2016              |
| Smoke production             | <b>NPD</b>           | Classification under EN 13501-6    |
| Flaming droplets/particles   | <b>NPD</b>           | Classification under EN 13501-6    |
| Acidity/corrosivity of gases | <b>NPD</b>           | EN 50575:2014+A1:2016              |
| Dangerous substances         | <b>NPD</b>           | EN 50575:2014+A1:2016              |

Supporting reaction-to-fire test methods: EN 50399, EN 60332-1-2, EN 61034-2 and EN 60754-2.

### 4. MANUFACTURER'S DECLARATION AND AUTHORISATION

The performance of the product identified above is in conformity with the declared performance. This Declaration of Performance is issued, in accordance with the applicable Construction Products Regulation regime, under the sole responsibility of the manufacturer identified above.
