 HS-VX-BL-STD • 4 MP resolution • Motorized varifocal lens, 2.7–13.5mm • IR night vision • IP66/IK10 rated (indoor-oriented) • IP67-rated version available on request	 HS-VX-BL-PRO • 6 MP resolution • 2.8–12mm lens • Metal housing, IR illuminator • Built-in mic, built-in PoE • 120dB true WDR • Dimensions: 74.77(W) x 72.13(H) x 232.77(L) mm, with bracket

Camera — PTZ

Spec target: PTZ, minimum 2 MP, 25x optical zoom, IR, IP66/IK10

Hyperspan VX — Standard

HS-VX-PTZ25-STD

- 4 MP resolution
- Motorized zoom lens, 5.5–137mm (~25x)
- IR night vision
- IP66 / IK11 rated

Hyperspan VX — Pro

HS-VX-PTZ30-PRO

- 6 MP resolution
- 30x optical zoom, 4.5–135mm
- 128 presets, auto line-scan/guard tour
- 360° continuous pan rotation
- Human tracking
- 3D noise reduction, digital WDR
- 2-way audio, PoE

Camera — AI Box

Spec target: 4 MP box-style camera with deep-learning/AI processing, lens & bracket

Hyperspan VX

HS-VX-AIB-STD

- 4 MP resolution
- Built-in AI processing (1 TOPS)
- Lens and mounting bracket included

Recorder — NVR

Spec target: NVR / Intelligent Video Device with AI processing

Hyperspan VX

HS-VX-NVR36-STD

- 36-channel input, 2 HDD bays
- AI analytics: motion, human & vehicle detection, area intrusion
- Up to 16-channel 4K decoding
- ONVIF / RTSP / GB28181 support

Storage — HDD

Spec target: 8TB Surveillance HDD, certified/approved brand required

Hyperspan Storage

Image coming soon

HS-ST-8TB-STD

- 8 TB capacity
- Surveillance-grade drive

Full spec sheet in progress.
